Books in Cases.
To pack books in small packing
cases, stand the parcels on end with
the edges next to the sides of the
cases and the back of the bindings
pointed toward the inward, and pack
them with crumpled newspapers to
ease the pressure on the round part
of the books, which may otherwise be
pressed flat. Line the case with wrap-
ping paper. Lay a thickness of wrap-
ping paper over the top and fasten on
the cover with screws in preference
to nails.
